Internet Law, Policy, and Legislative Consultant

CURRICULUM VITAE

PROFESSIONAL BACKGROUND:

Institute for Social Internet Public Policy (ISIPP), Boulder, CO (2003 to present): President/CEO. The Institute for Social Internet Public Policy (ISIPP) provides analysis, information, and consulting to the public and private sectors on industry issues relating to law, policy and processes regarding privacy, cybersecurity, spam, email, and other Internet-related issues. ISIPP also provides one of only two email reputation certification services in the world, which is used by email receivers around the world to authenticate the reputation of the email that is being sent to their systems. Please see <http://www.isipp.com>.

Habeas, Inc., Palo Alto, CA (June 2002 - August 2003): CEO of legal technology start-up (VC-funded) focused on privacy, email, spam, and Internet law and public policy.

Mail Abuse Prevention System (MAPS), Redwood City, CA (2000 to May 2002): Director of Legal and Public Affairs for Internet email privacy, advocacy and reporting organization. Responsible for all aspects of corporate legal affairs, including litigation management, corporate transactions and contract management, development of services, and working with former opposing parties to help them to develop acceptable email privacy, contact and use policies. Also responsible for all aspects of Public Affairs and Press Relations, including media interviews, press releases, and PR strategy.

Lincoln Law School of San Jose (1996 to 2007): Professor of Law

Solo Litigation Practice (1993 to 2000)
